Winter Activities 26/27

SANSUI NISEKO

Chisenupuri CAT Ski

Get dropped off at 832 meters and carve down 280 vertical meters per run through wide-open terrain, well-spaced trees, and scenic glades—ideal for all skill levels.

Advanced riders can tackle tree runs, pillows, and jibs, while beginners refine their technique on former ski resort trails. Every run returns to the same base area, making it easy to explore.

On average, guests ride up to 3,360 vertical meters of powder daily—weather and group ability permitting.
